

PROGRAMME OUTCOMES OF ALL PROGRAMMES

**PRIN.DR. SUDHAKARRAO JADHAVAR ARTS,
COMMERCE AND SCIENCE COLLEGE**

PREFACE

A program outcome represents the knowledge, skills and attitudes of the students at the end of a degree program and Course Outcomes are the resultant knowledge skills that the students acquire at the end of the course. It defines the cognitive processes a course provides.

The IQAC and the Principal of the college along with the concerned departments prepares the program outcomes and course outcomes in alignment with the university prescribed syllabus, the core values and objectives of the college. At the beginning of the session the teachers orient the students on the programme outcomes and course outcomes of all courses. The Programme outcomes and course outcomes are made available in the college website for ready reference. Hard copy of syllabi and learning outcomes are available in all the departments for ready reference to the teachers and students. The course plans are prepared in the departments by the teachers handling each course. It is designed to incorporate the teaching, learning and assessment strategies in such away to give enough weightage to each of the specified learning activities and attainment of outcomes.

Along with the prescribed curriculum and traditional teaching methods like lectures, assessments, quiz, notes sharing, assignments etc. smart boards, ICT tools, projectors are employed, partially automated library with text books, reference books and e-resources. There is an effective and transparent continuous internal evaluation system comprising of sessional test, attendance and assignment which helps in the improvement of students' performance. After completion of the programme students go to higher studies, some students are recruited in different sectors and some start their own business.

2.2.1- Methodology and Criteria for the assessment of Learning levels & Details of special programmes

1. Introduction:

In the teaching and learning process, some of the students are very bright and grasp the instructions and some are quite weak to learn. Every student has different learning attitudes and learning habits. Students are streamed into advanced learners who are quite visible, average learners who are dependent on teachers, and slow learners who need extra help outside the classroom. Slow learners require special teaching learning methodology to ensure their progress and facilitate them to perform well in their exams.

2. Objectives:

To recognize the learning attitudes and learning habits of the students to facilitate them in their graduation so that they can build a successful career.

- To identify and analyse the factors affecting the student's learning performance.
- To categorize students into slow and advanced learners based on their academic performance and subject teachers' observation.
- To provide a desirable and amicable guidance for improving their performance.
- To cater to ensure excellence in academic standards.

3. Criteria to Identify Slow and Advanced Learners:

The participation of the students in the classroom activities and first internal assessments (IA) can be used as criteria to categorize the students. The family background (first graduate), schooling (urban/rural), education background of parents, socioeconomic status also influences their performance.

The following parameters are considered in the identification of slow and advanced learners.

- Performance in the Internal assessment examination.
- Performance in the previous examination (previous sessional/semester).
- Class observations (student performance, interaction with teacher, interest in gaining knowledge) by the Subject Teachers.

Parameter and Weightage

- 1 Internal assessment examination marks* 50%
- 2 Marks secured in the previous sessional/semester 25%
- 3 Subject teacher observations 25%

* S. No 1 & 2 have to be calculated for 100 marks and then 50 % to be considered
Slow Learners: Students who secured 75% in the subject.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The college has clearly stated learning outcomes of the Programs and Courses. The following mechanism is followed by the institution to communicate the learning outcomes to the teachers and students.

- Hard Copy of syllabi and Learning Outcomes are available in the departments for ready reference to the teachers and students.
- The importance of the learning outcomes has been communicated to the teachers in every IQAC meeting and College Committee meeting.
- The students are also made aware of the same through Tutorial meetings.
- Workshops have also been conducted for developing the Programme Educational Objectives and Learning outcomes at college level.
